Respected Sir

Our Mutt from time immemorial was under the protection of the Mysore Sama Rajas. The Mutt is called Sakatapura Samasthanam or Jangama Mutta. Some time back one of our Swamigal gave asramam to one Sannyasi and established a branch Mutt there called Sampigimutt & for the maintenance of the Mutt Some of our Mutt lands were given Some time ago before the Swami breathed his last no one was nominated in his place The Amildar of the Taluq requested us to take over charge of the Mutt & manage the affairs in the usual form & we had to perform ceremonies like the and after everything was over Some of the people of the Sannidhi Mutt came and begged me of the Amildar & I did promise to nominate a Swamigal within three days & to see everything in order.

But this promise the two parts of the Mutt were made over (them who without keeping up to their promise have misappropriated the funds of the Mutt. The lands have been neglected and we hear mutt has been in ruins.

Sir,

With reference to your Official Memo No,5140 dated 4th ~~April~~ May 1907 forwarding for report the petition of the Swamy of the Tengina Mutt at Bandigadi in the Koppa Taluk praying that the endowments of the Sampige Mutt at the place may be made over to him &c, I have the honor to report as follows:-

2. The priest of the Sampige Mutt having died in December 1899, without nominating a successor to him, the properties of the Mutt consisting of certain Inam and Kandayam lands, a few vessels and some cattle, were, in accordance with Government Order No,1124-4-99 D/23-4-1900, entrusted to two leading disciples of the Mutt, named Ramiah Hebbar and Krishniah Hebbar, pending the appointment of a successor to the deceased Guru. Though the Guru died so far back as 1899, the disciples of the Mutt who are all - natives of South Canara and none of whom reside in this country have not yet nominated a successor to the Mutt. The Mutt buildings have fallen into disrepair owing to the utter lack of - interest on the part of the disciples in the Mutt. The two -- les referred to above to whom the management of the Mutt sted, are also stated to have left Bandigadi for their ong ago, as they could not manage their Mutt -

affairs

affairs owing to misunderstandings between them and the disciple of the Tengina Mutt, who are predominant in the village, and w who are stated to have induced the cultivators of the lands of the Sampige Mutt to with-hold payment of the annual Gutta due by them to the latter Mutt. Consequently these cultivators have been enjoying the Mutt lands without paying anything to the Mutt. It is further reported that there is a temple in the Mutt dedicated to Sri Lakshminarayana Devaru, in which one -- Gopala Bhatta is rendering Puja to the Deity, enjoying Inam - land survey No.223 of the village.

3. As regards the prayer of the Swamy of the Tengina - Mutt, for the transfer of the endowments of the above Mutt, I beg to submit that the affairs of this Mutt too are themselves said to be not satisfactorily managed, the Mutt buildings being in dilapidated condition, and the Puja &c, not being properly conducted in the Mutt. A petition having been received from the devotees of this Mutt, praying that the Mutt and its endowments may be taken over under Government management, the Amildar of Koppa has been directed to hold an enquiry into the matter and submit a detailed report on receipt of which a separate reference will be made to Government for orders. Such being the - case, it is not advisable to transfer to the Swamy of this Mutt, the management of the Sampige Mutt and its properties.

4. Under the circumstances represented above, I beg to recommend that the management of the properties belonging to the Sampige Mutt may be placed in the hands of the Amildar of Koppa Taluk pending the appointment of a proper successor to the Mutt.

The vernacular records bearing on the subject are herewith submitted.

I have the honor to be,
Sir,
